

The Hye Bardez program at Holy Martyrs Armenian Day School

Welcome to Hye Bardez!

Holy Martyrs Armenian Day School is proud to announce the introduction of a Hye Bardez program for 2 and 3 year olds.

This toddler program is the perfect way to introduce your little one to a learning environment while encouraging socialization and separation in a warm, nurturing, and safe atmosphere.

Parental Separation

Hye Bardez will encourage partial parental separation. Classes will be led by a caring and experienced teacher, while parents participate on a rotating basis. Every week, one or two parents will have the opportunity to join in class activities and observe their child interacting and learning! (Moms or Dads who are not participating for the day may leave for the length of the class.)

Curriculum

Our philosophy is to foster toddlers' pre-academic development and practice basic skills while teaching the art of how to get along with others.

Learning to effectively communicate, take turns, and follow directions is fundamentally important as our toddlers prepare for school.

Each class will offer:

- Free play with peers
- Singing and dancing
- Creative arts & crafts projects
- Circle time . . . a fun way to learn and reinforce colors, numbers and letters . . . in Armenian and English of course!
- Snack time
